

BCcampus.ca

Template name: Projects Landing Page

File name: 3. Projects Landing-desktop.jpg

The blue banner will contain the **PAGE HEADING**, so it changes with every page within a section. With the exception of the "News" and "Events" section.

Each of these containers represents each project in the "Projects" section, 7 total:

- 2.1 Open Textbooks
- 2.2 Indigenization Project
- 2.3 Zed Cred & Z-Degree
- 2.4 EdTech Projects
- 2.5 Fellows Programs
- 2.7 Propose a Collaborative Project
- 2.6 Early Years Professional Development Web Solution Project

Each image is a static image to represent each project. The image will not appear within the content of the page.

The amount containers will change when we add and archive projects

Site-wide we utilize a lot of featured images, these should always be editable. Most of the mockups provided are using placeholder images. Due to the nature of responsive design, we'd like to test out how they crop and scale and choose the best fit.

For the sidebar sub-navigation active state see the "BCcampus-website-doc.pdf" page 10, located in the NextCloud folder.

The screenshot shows the BCcampus.ca website layout for the Projects section. At the top is a navigation bar with the BCcampus logo and links for 'Find an Open Textbook', 'open.BCcampus.ca', 'Help', 'Contact Us', and 'Search'. Below the navigation is a blue banner with the heading 'Projects' and a large background image of a group of people. A pink box highlights this banner with the text 'FPO IMAGE'. Below the banner is a breadcrumb trail 'Home / Projects' and a paragraph of introductory text. A pink box highlights a portion of this text with the text 'FPO TEXT'. To the right is a 'Projects' sidebar menu with a yellow background and a list of project categories, each with a right-pointing arrow. Below the introductory text is a grid of project cards. Each card features a placeholder image labeled 'FPO IMAGE', a title 'BCcampus Learning Access Program for Educators (LAP-E)', and a paragraph of placeholder text. Below the project cards is a 'Related News' section with a 'viewText links' button. It contains a large green box labeled '"RELATED NEWS" dynamic content/Widget 1' and three news article thumbnails. A pink line points from the 'viewText links' button to the text 'Link to the "News" landing page'. Below the news section is a 'Related Events' section with a 'viewText links' button. It contains four event cards. A pink line points from the 'viewText links' button to the text 'Link to the "Events" landing page'. At the bottom is a footer with social media icons, a 'Quick Links' section with links to 'About Us', 'Careers', 'open.BCcampus.ca', and 'Open Textbook Collection', and a 'Subscribe to our Newsletter' form with an email address field and a 'SUBSCRIBE' button. At the very bottom is a Creative Commons license notice.

Link to the "News" landing page

News articles tagged as content related to "Projects", one randomly being featured in the large container.

Link to the "Events" landing page

Events tagged as content related to "Projects".
